### **Teacher's Report: Miss Oatley**

All grade levels will be completing the iReady math and reading diagnostic during January for the mid year assessment.

**Kindergarten:** Social studies -Now and Then Unit 3 Family TimeLine project. The children are sharing these this week. The families have done a great job sharing important milestones and fun facts in their child's lives. The kiddos are learning even more about their school family. The next science unit focused on Weather should arrive in late January.

**First Grade:** First grade is starting our nonfiction reading and writing units. We are also learning about the economy through a social studies project where our first graders are building arcade games out of cardboard. We are very excited to see what they come up with!

**Third Grade:** Math - multi-digit addition and subtraction. Writing - finishing up nonfiction and heading into persuasive. Reading - non-fiction unit. Science - structures of life - observing seeds now and crayfish will come soon. Social studies - history of Michigan - Native Americans.

**Fourth Grade:** We are starting a new math unit that will include partial products multiplication. In reading, we are researching weather topics in teams. In writing, we are working on argumentative essays. Our science energy unit continues with our learning of circuits and will move into magnets.

**Media:** Spelling Bee January 15<sup>th</sup> (Mrs. Titus will word call) 9:30 am  
3<sup>rd</sup> - 5<sup>th</sup> working on persuasive essays and voting on our Mock Caldecott titles  
2<sup>nd</sup> grade is using Wixie and Pebble Go (Michigan Electronic Library) for animal research  
K-1 is still working on Coding using Code.org.
